BoConcept's  
**WORLD OF  
POSSIBILITIES**

Do you have a passion for great design (paired with comfort and functionality)? Then you have come to the right place. You can experience most of our furniture line created the perfect solution for your client's needs. The mobility and flexibility you will find at BoConcept® gives you the freedom to address your client's living space, budget and design.

Customize with our interior design program, Furnish®.  
We want to make this easy for you.

Our interior design program, Furnish®, has your client's needs in mind for your client's needs. Furnish® has a great selection of furniture for the interior designer and architect. We offer a wide variety of furniture, including the design and custom types of your clients. For more information, visit our website or call us at your client's home. Contact the dimensions of each size and we will be happy to help.
